How do you
BEAT
breast cancer?

Find it and treat it, early.

Annual mammograms after age 40 save lives. Think of the women in your life. Whether it's your mom, grandmother, sister, wife or friend, tell her to get her mammogram. It could save her life, and hers is a life you want to last.

Gifford Radiology
728-2214

Brought to you by the Area Breast Health Outreach Program and Gifford Medical Center - now offering stereotactic breast biopsies!
