Enter everything you plan to bring so that exhibit entry cards can be prepared for you. It is easier for us to delete cards when you bring your exhibits than to add, so be organized for the registration process.

Drop off your entry on WEDNESDAY, SEPTEMBER 14th BETWEEN 9:00AM AND 6:30PM. Organize your categories and make sure you enter items correctly.

Pre-entered items will be given priority and only until 6:30 PM when all exhibits must be completed. An entry card will be provided for each item on display.
