

Swine Superintendent —Matt Whalen
Assistants —Tabor Stride, Michael Whalen, Daryl Benson
Entries close August 15.

Make sure to read health regulations on the last page of this section.

NOTE: Provide contact number on entry form so we can reach you about space or any new health regulations and procedures.

—Entries will be accepted in the order they are received until pens are filled.

—Sorting panels or canes are required to show your animal in all classes. Exhibitors must provide their own. These can be homemade. Junior exhibitors are strongly encouraged to use canes for Fitting and Showmanship, though not required.

—Animals causing safety concerns will be excused from the ring and or fairgrounds with no prizes awarded. It is recommended you verify that your animals respond to a sorting panel or cane prior to bringing them to the fair.

—The Fair reserves the right to combine or split any classes to accommodate the number of entries and promote healthy competition.

—To help insure the health and welfare of all animals you must adhere to the health regulations listed in the Health Standards Section. All health papers must be checked prior to unloading any animals. Animals in question will have to be cleared by the Fair's Veterinarian.

—Upon arrival see superintendent for pen assignment and to present health papers for all of your animals. For animals entered in registered classes, a copy of the registration certificate needs to be available. Animals for which a registration certificate can not be produced will be required to show in the commercial/crossbred classes. Please bring an extra copy of the registration certificate to leave with the superintendent.

—Agility competition is a timed event where each exhibitor takes the animal through an obstacle course. Juniors and adults qualify Saturday and Sunday morning for the finals on Sunday afternoon. (see schedule for time)

—Painted Pig is for Junior exhibitors only. In this class exhibitors decorate their pig and themselves. (Takes place on Saturday, see schedule for time)

All events are in the small livestock Show Ring

DEPT. 80 SWINE OPEN DIVISION

DEPT. 81 SWINE JUNIOR DIVISION

(All classes applicable for both divisions except where noted)

HEALTH STANDARDS FOR VERMONT FAIRS

Note: Animals being imported from outside the state of Vermont must comply with the established rules governing the importation of domestic animals including livestock and poultry. Contact the office of the State Veterinarian at 802-828-2421.

Certificate of Veterinary Inspection (CVI)

All Vermont cattle, sheep, goats, camelids, and swine shall have a Certificate of Veterinary Inspection issued by a veterinarian within six months of the event. Such certificate shall include a description of the animal(s) including sex, breed, age, and any form of individual identification. Such certificate shall also state that the described animals have been inspected and show no signs of infectious, contagious, and/or communicable disease. Such certificate shall also document dates of any required vaccinations or health tests.

Vermont equine animals accompanied by a current negative official EIA test record with a complete identification of the horse and a record of a current rabies vaccination will be acceptable in lieu of a Certificate of Veterinary Inspection.

Rabies Vaccination

All animals for which there is an approved rabies vaccine, including cattle, horses, sheep, dogs, cats and ferrets, shall have a current rabies vaccination according to the manufacturers recommendations. Such vaccination shall be documented either on an individual rabies vaccination certificate or a Certificate of Veterinary Inspection and shall include the name of the vaccine used, serial number, date administered and its duration. Rabies vaccination of equine can be recorded on an official EIA test record. The vaccination should be administered at least 30 days (and current within the previous 12 months) prior to the event and according to the manufacturers recommendation.

EIA/Coggins for Horses

All equine shall have documentation of a negative test result for Equine Infectious Anemia within 12 months of the event. Such test results shall be documented either on an official EIA test record form or on a Certificate of Veterinary Inspection including the date of sampling and the laboratory where the test was run.

Cattle Shipping Fever Vaccination

All cattle shall have a shipping fever vaccination within 6 months but no less than 14 days prior to the event which includes IBR, BVD, PI3, and BRSV. Such vaccination shall be documented on a Certificate of Veterinary Inspection and shall include the date administered and the trade name of the vaccine.

Summary of Requirements by Species

EQUINE

- Official EIA test record with negative EIA results within 12 months, or a Certificate of Vet Inspection (CVI) with a record of EIA test results, laboratory and date of sampling.
- Current rabies vaccination according to manufacturers recommendation > 30 days
- Vaccination for Flu and Rhino between 14 days and 6 months is recommended.
- *Out-of-State equine imported into Vermont are required to have CVI issued within 30 days prior to entry, or a CVI issued for the 6 month duration of an exhibition permit.
- Call 802-828-2421 for an exhibition permit.

SHEEP, GOATS, CAMELIDS AND SWINE

- Certificate of Veterinary Inspection (CVI) within 6 months
- Rabies vaccination between 30 days and 12 months for animals over 3 months of age
- *Out-of-State sheep, goats and swine imported into Vermont are required to have official individual identification and an import permit with a CVI issued within 30 days prior to entry, or a CVI issued for the 6 month duration of an exhibition permit. Call 802-828-2421.
- *Out-of-State camelids imported into Vermont are required to have an import permit, a negative brucellosis test within 30 days and a negative TB test within 90 days. With an exhibition permit, Brucellosis and TB tests will be acceptable for the 6 month duration of the exhibition permit. Acceptable identification of camelids will be detailed description of the animal, a photograph signed and dated on the back by an accredited vet, or any other artificial means of ID. Call 802-828-2421 for a permit.
- As of 2008: all sheep and goats are required to have an official scrapie tag (or official tattoo if goat breed is ear-less). Free tags and free tag applicators for your farm are available at 1-866-USDATAG

POULTRY

- All domestic fowl shall have a certificate of health from a state livestock official which shall document that the fowl have been tested and found negative for pullorum-typhoid disease or originate from a pullorum-typhoid clean or passed flock, tested within the past 12 months.
- All poultry must arrive between noon-6pm Weds. before fair opens for state vet inspection.
- No rabbits or fowl under eight weeks of age in lots of less than six may be offered for sale, or sold, displayed or given away.

CATTLE

- Certificate of Vet Inspection (CVI) issued within 6 months of the event
- Current rabies vaccination according to manufacturers recommendation between 30 days and 12 months for animals over 3 months of age.
- Shipping fever vaccination between 14 days and 6 months prior to the event
- Out of State cattle imported into Vermont also require official individual identification and an import permit with a CVI dated within 30 days of entry, or a CVI issued for the six month duration of an exhibition permit. Call 802-828-2421 for a permit.

No animals may be sold during fair time. No animal may be used as a fund-raising device or award unless recognized by an agricultural or sporting association. Animals may not be transferred without reasonable assurance from the person receiving it, that the animal will have proper transportation and adequate care.
