

## Goats – Show starts at 9am Saturday

**Department 70:** Superintendent – Ian Devine  
 Assistant Superintendent – Tiffany Bates  
 Assistant Superintendent – Aine Devine

**General:** Circle Goat Department on entry form and list breed and class. Any goat breed may participate. Animals need not be registered with a breed association. Only does, wethers, and immature kids will be admitted. No intact bucks over six weeks of age will be permitted on the fairgrounds.

Entries for both sheep and goats are accepted in the order in which they are received, with spots held for exhibitors conducting scheduled educational programs.

All fees and entries are due by August 15. Pen fee is \$10 per exhibitor. There is no entry fee for junior exhibitors.

Exhibitors must unload between noon and 6:00PM on Wednesday unless prior arrangements have been made in writing with the superintendent. Early arrivals may be scheduled on Wednesday at no cost provided the veterinarian is available. Late arrivals may be admitted at superintendent's discretion but will incur a late fee at the hourly rate of the on-site veterinarian's private practice.

All animals and materials must be removed from the fairgrounds before exhibitors leave at the end of the fair on Sunday.

Bedding will be provided and will consist of hay or dry pine shavings as available. Exhibitors must bring their own feed and containers for water.

Please read all rules and regulations regarding entries, stock, premiums, and health regulations.

**Rare breeds:** If also entering rare breed classes, goats must be purebred and recognized by the American Livestock Breeds Conservancy. Entries in this class will show in the ALBC competition on Saturday as well as in the Goat Show.

Rare breed show is at 4:00 on Saturday in the dairy arena. See details for Department 190, Class 5: Rare Breed Goats. Note: Rare Breeds must be purebred and recognized by the American Livestock Breeds Conservancy ([www.albc-usa.org](http://www.albc-usa.org)). Any entry for this class qualifies for the ALBC competition.

**Health requirements:** Please refer to the Sheep & Goat Health Standards Form for the rules and health requirements that must be met to show your animals at our fair. All animals are subject to inspection by the superintendent and a veterinarian or veterinary technician before admission to the fair. No animal may be unloaded prior to such inspection. Any animal may be rejected at any point during the fair for health concerns at the discretion of the superintendent or veterinarian regardless of CVI. Visual indication of infectious, contagious, or parasitic disease or open wounds will result in the animal's rejection.

Lettie - Nigerian dwarf milking doe  
 Demonstrating proper stand behavior for elementary school students

Fitting & Showmanship Classes - Juniors Only  
 Judged on appearance of the animal (condition, grooming), appearance of the exhibitor (neatness, correct style of dress), and showing in the ring (leading, poise, and knowledge).

## Sheep – Show starts 9am Friday

**Department 60:** Superintendent – Ian Devine  
 Assistant Superintendent – Tiffany Bates  
 Assistant Superintendent – Aine Devine

**General:** Circle Sheep Department on entry form and list breed and class. Any sheep breed may participate. Animals need not be registered with a breed association.

Entries for both sheep and goats are accepted in the order in which they are received, with spots held for exhibitors conducting scheduled educational programs.

All fees and entries are due by August 15. Pen fee is \$10 per exhibitor. There is no entry fee for junior exhibitors.

Exhibitors must unload between noon and 6:00PM on Wednesday unless prior arrangements have been made in writing with the superintendent. Early arrivals may be scheduled on Wednesday at no cost provided the veterinarian is available. Late arrivals may be admitted at superintendent's discretion but will incur a late fee at the hourly rate of the on-site veterinarian's private practice.

All animals and materials must be removed from the fairgrounds before exhibitors leave at the end of the fair on Sunday.

Bedding will be provided and will consist of hay or dry pine shavings as available. Exhibitors must bring their own feed and containers for water.

Please read all rules and regulations regarding entries, stock, premiums, and health regulations.

**Rare breeds:** If also entering rare breed classes, sheep must be purebred and recognized by the American Livestock Breeds Conservancy. Entries in this class will show in the ALBC competition on Saturday as well as in the Sheep Show.

Rare breed show is at 4:00 on Saturday in the dairy arena. See details for Department 190, Class 4: Rare Breed Sheep.

Note: Rare Breeds must be purebred and recognized by the American Livestock Breeds Conservancy ([www.albc-usa.org](http://www.albc-usa.org)). Any entry for this class qualifies for the ALBC competition.

**Health requirements:** Please refer to the Sheep & Goat Health Standards Form for the rules and health requirements that must be met to show your animals at our fair. All animals are subject to inspection by the superintendent and a veterinarian or veterinary technician before admission to the fair. No animal may be unloaded prior to such inspection. Any animal may be rejected at any point during the fair for health concerns at the discretion of the superintendent or veterinarian regardless of CVI. Visual indication of infectious, contagious, or parasitic disease or open wounds will result in the animal's rejection.
